About Metro Paper Products

Metro Paper Products, established in 2019, has been closely associated with the packaging industry, delivering reliable solutions for modern businesses. With a strong foundation in kraft paper, widely used as a raw material in the corrugated box industry, the company ensures quality and consistency in every product. Over the years, Metro Paper Products has grown steadily, embracing innovation and maintaining a customer-first approach. Year after year, the company continues to progress on the path of development, strengthening its role as a trusted partner in the packaging industry.
